

Dear Friend,

In their wildest imaginations, many people would be hard-pressed to conceptualize a small town museum as rich in wonder, diversity and preservation as the *real one* we are fortunate to manage on behalf of Blairstown's residents and visitors.

Both history and the arts are pillars of a vibrant community, and we strive to offer residents and visitors unparalleled access to these cultural treasures. The Blairstown Museum enables and encourages guests to explore the greater Blairstown area's history through permanent and changing exhibitions; preservation programs; resource materials and community events.

Throughout the country, local businesses and cultural institutions unite to create dynamic, thriving communities where residents can live, work, play, and learn in their own backyards. A Blairstown Museum Business Membership shows your strong support for the preservation of the rich cultural heritage of the Township of Blairstown.

In the upcoming year, the Blairstown Museum will:

- ❖ Produce and/or manage over 50 distinct exhibitions;
- ❖ Manage and/or be actively engaged in over 100 community events;
- ❖ Acquire and/or preserve over 100 additional artifacts;
- ❖ Launch two new exciting preservation programs; and
- ❖ Unveil four new historic walking and trolley tours.

Your business's support is paramount to these efforts.

A Business Membership offers you many exciting benefits and opportunities for collaboration with the Blairstown Museum. Membership will enhance your business's community involvement and, at the same time, offers your business valuable perks like recognition in the museum's print and web materials, and free or discounted use of our program facilities.

There is no better time to become a Preservation Partner than right now. Please join us, today.

Sincerely,
Jeanette Iurato
President, Board of Trustees

The Blairstown Museum is a 501(c)(3) non-profit organization, making your Business Membership or Membership Gift a tax deductible donation to the fullest extent of the law.
