

Dear Friend,

In their wildest imaginations, many people would be hard-pressed to conceptualize a small town museum as rich in wonder, diversity and preservation as the *real one* we are fortunate to manage on behalf of Blairstown's residents and visitors.

Since 2015, the Blairstown Museum has become a cultural anchor in the community. We continue to be a trailblazer in our approach to community engagement and in recognizing our role in preserving and showcasing those aspects which define our community on many levels.

While the Blairstown Museum celebrates the extraordinary personalities and occurrences which shaped our founding; Blairstown's history is not always a matter of large, dramatic figures and epic events. Sometimes, we gain our glimpse of past lives and ephemeral beauty through a smaller lens. It is those memories, which long to be remembered.

Your support of the Blairstown Museum through membership demonstrates your belief that obtaining, preserving and sharing those memories is important.

In the upcoming year, the Blairstown Museum will:

- ❖ Produce and/or manage over 50 distinct exhibitions;
- ❖ Manage and/or be actively engaged in over 100 community events;
- ❖ Acquire and/or preserve over 100 additional artifacts;
- ❖ Launch two new exciting preservation programs; and
- ❖ Unveil four new historic walking and trolley tours.

With absolutely no local, state or federal funding, your membership is paramount to these efforts. We rely on individuals to fund our acclaimed exhibitions; inspiring educational programming; innovative collections; community workshops; and outreach programs.

There is no better time than right now to join the Blairstown Museum in our mission to preserve and protect Blairstown's history for future generations. Please join us, today.

Sincerely,
Jeanette Iurato
President, Board of Trustees
